PHYGITAL GROUP COURSES (maximum of 8 people)

This concept will allow you to attend the same course both remotely (thanks to cameras, microphones and interactive multimedia whiteboards installed in each room), as well as face-to-face. Phygital will give you the immense freedom of a face-to-face course, or a digital one (on Zoom) if you are in the office or working from home

So for each course session, you will be able to improvise depending on your availabilities!
